PEOPLE| Students | Recent CS Grads | Industry Professionals

Who: **Rhonda Lester** - Adjunct Computer Science Professor, Western Oregon University (WOU); BS Computer Science, WOU; BA, History, WOU

Most valuable aspect of undergraduate program: "Studying hard and doing well in all my classes helped me get the job I have now. I was recruited to teach at WOU before I graduated. I am teaching 6 different classes this term, all computer science classes."
