4. Please share any other thoughts you have about today's tournament:	
1	COMMENT ON Prof Presentation: Great Guys but wrong message.-- we need to motivate kids to do well in school --FINISH SCHOOL & then go and do great things!
2	Unpredictable presentation platforms. definitely needed to bring own laptop... which we dd. presentation was somewhat deceiving ... in my opinion.
3	Too much free time - having a default activity (e.g. the vendor floor at tech conference) for downtime would provide some good structure.
4	It was great; we enjoyed the day. Too early start time though.
5	More flexible scheduling if possible. It seemed that most teams were still fixing up their games. time to work/interact would have been great.
6	SIGNS COMMENT: Map to campus had wrong direction (turn rt on market st.) we arrived late.
7	Rough beginning but smooth after the start.
