

1.0

Oregon Game Project Challenge 1:
Oregon's First Annual High School Game Programming Competition

Team Member Survey

May 17, 2008

1. Please give us your comments about the weeks leading up to today's tournament:

Prior to Tournament Day	Strongly Disagree	Disagree	Agree	Strongly Agree
The ogpc information on the web was useful and complete.				
The ogpc program allowed reasonable amount of time for our team to research and create a game.				
I found the energy theme to be a challenging and interesting game topic.				
Game Maker was an appropriate platform for the Oregon Game Project Challenge.				
Our team developed our game with only guidance from our instructors				

2. Please share any other thoughts you have about the period before today's tournament:

3. Please give us your opinions about the tournament day:

Tournament Day	Strongly Disagree	Disagree	Agree	Strongly Agree
Signs, maps or volunteers helped us find where we needed to go.				
The judges asked good questions and actively interested in our answers.				
The team presentations were an interesting and useful element of the Challenge.				
Asking the teams to review other teams' games was an informative and useful element of the Challenge.				
The professional presentations were informative and useful to me.				
Clackamas Community College was a good location for the tournament.				
The length of the tournament day was just right.				
The awards ceremony was interesting and fun.				
The awards structure worked well.				

4. Please share any other thoughts you have about today's tournament:

5. Please give us your opinions about the challenge season as a whole:

Challenge Season	Strongly Disagree	Disagree	Agree	Strongly Agree
I learned about computer science during the season.				
Because of the ogpc season, my interest in a college degree in computer science or software engineering has increased.				
I had already decided to pursue a college degree in computer science or software engineering prior to ogpc .				
I will recommend other students at my school consider being on an ogpc team next year.				
(Non-Seniors only) I would like to be ogpc team again next year				

6. Please share any other thoughts you have the season as a whole:

Conclusions

7. On a scale of 1 to 10, how would you rate **ogpc 1.0** season overall?

No Value											Extremely Valuable
1	2	3	4	5	6	7	8	9	10
